25X1X

Soviet engineers in charge of rebuilding the Pearl River Bridge, Canton, announced that it will be ready for use within two months. Nationalists plan to destroy the bridge before it is used but there is no indication of whether they intend an air attack or sabotage by agents there. No attacks of the Chinese Nationalist Air Force on the bridge have been reported as yet.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
